Calibration & Repair Service Request Form

Please complete and return this form with your Torque Tools to the address below:

Gedore-Torque Service Centre, Tannery Lane, Gosden Common, Bramley, Surrey, GU5 0AJ

Your Order Number	Buyer's Name	Telephone	Email

Customer Invoice Address	Customer Shipping Address (if different)

Equipment list (Please list all items, including leads and accessories)						
Serial Numbers						
Reason for return						
Certification Required (click here for an explanation)	UKAS	<input type="checkbox"/>	Gedore (In-house)	<input type="checkbox"/>	Repair	<input type="checkbox"/>
Preset required? If you would like us to set your tool at a specific torque value, please write the value here (e.g. 3N·m)						

In order to speed up your service requests, please include a purchase order with your Service Request Form - we will not proceed without a PO or an order number

An inspection/administration charge of £25.00 plus return carriage will be made for items returned not repaired/calibrated

Your tool will be calibrated throughout its range unless a specific preset value is requested above
